# FAIR

p.21-26

Looking for a contemporary design? Fair is simple, sleek and beautifully sculpted. With its flowing lines and thin edges, this range will be the making of today's modern bathroom.

This complete cloakroom suite offers quality and cost effectiveness. It is modern, sleek and functional, and offers all that is required to fully kit out your small bathroom, en suite or downstairs cloakroom. A fantastic product from Sunrise bathroom

This package includes the following items; a glazed ceramic close coupled toilet complete with cistern and flush, an acrylic soft close toilet seat, a full pedestal basin with basin mixer tap and a basin waste.

All materials used are of high quality. These ensure a bathroom suite that is durable, enduring and easy to clean and maintain.

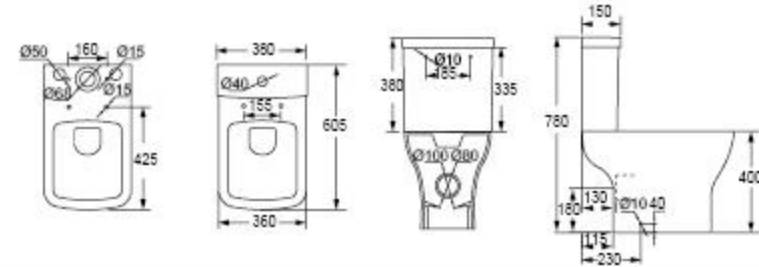

If space is at a premium in your bathroom, cloakroom or ensuite, this back to wall toilet from our Fair square range could be just the solution. Featuring an on-trend square design and an ultra-modern, soft-closing slimline seat, this toilet can fit into even the smallest of spaces, with a width of just 360mm. Combine with one of our slimline back to wall units and concealed cistern for a fresh and modern appearance, or discreetly hide your cistern behind a wall to save on space. The choice is yours. Made from a high quality glazed ceramic that is easy to maintain, we offer an extended guarantee on this toilet.

# SMART TOILET

p.69-74

Rear wash cleansing – Experience thorough cleaning with this setting

Front/feminine wash – A gentle wash for her intimate area

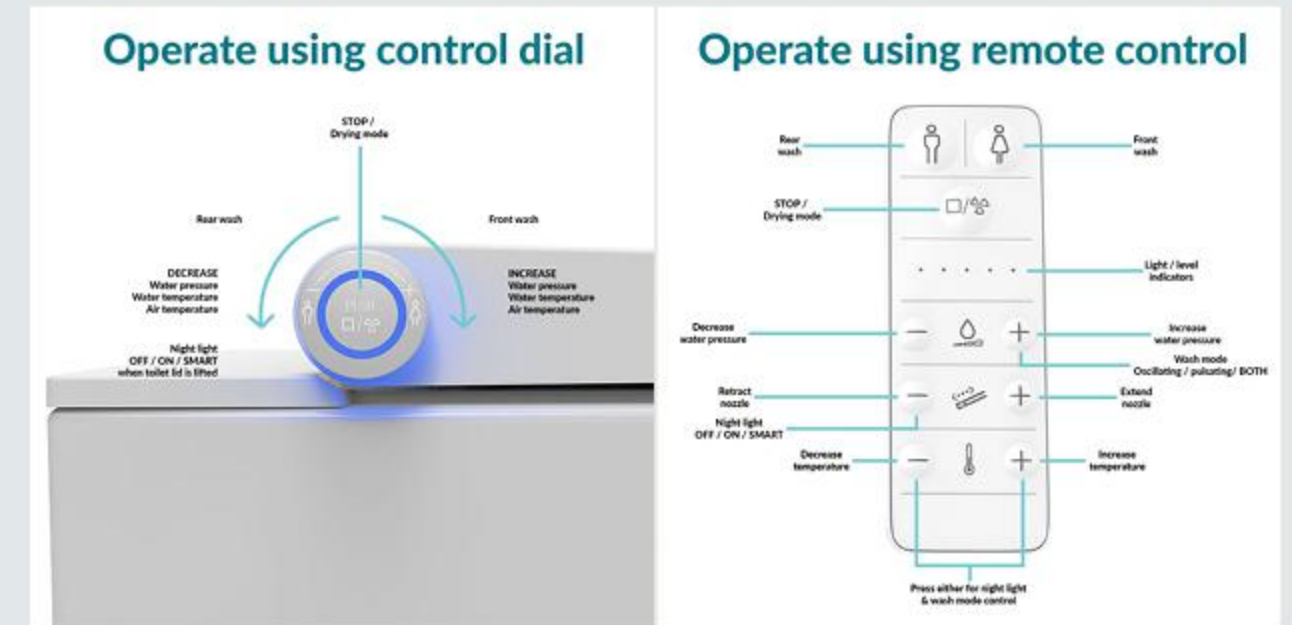

Drying function – Choose to dry yourself for the complete cleaning experience

Water pressure – 5 levels of spray intensity

Adjustable hose – 5 positions available; hose doesn't activate unless the user is sat on the seat. Self-cleaning hose before each use, and if not used for 72 hours; preventing bacteria build-up.

Water/air temperature – 5 washing or drying temperatures (31-39°C) and air drying (35-50°C)

Smart light – Turns on when low light is detected; the blue glow reduces exposure to specific light wavelengths that otherwise wake you up.

-  **Wireless control**  
Wall-mounted remote control for easy, independent use
-  **Quick & easy**  
Simple, integrated controls for ease of use
-  **Smart sensors**  
High-tech sensors in the seat aid night time use, without an overhead light
-  **Hygienic**  
Improves personal cleanliness and skin care

-  **Self-cleaning**  
Hose self-cleans before use, and every 72 hours if unused
-  **Easy clean**  
Simple rimless design
-  **Eco-friendly**  
Reduces the need for toilet paper and lessens environmental impact
-  **Aids independence**  
Helps a person to toilet alone or enables a carer to give support without intimate care

**Smart nightlight**

Aids nightly trips to the bathroom. You won't be fully woken up, so it's easier to get back to sleep.

**Self-cleaning**

Spray arm and nozzle rinses before every use. Auto cleans every 72 hours if unused.
